Intro Am C G D 2x

Verse

D D
All the leaves have turned to rust
C G
The air is getting thin, I can see my breath
D
The night is rollin' in
D C
The sky is grey, its cold as as stone
G C
Its just the kind of day I cant stand to be alone

Chorus

Am
Cuz you
C
you've been on my mind
G D
I wish you were here beside me tonight
Am
lying in this bed cuz I
C
I'm just not the same
G D
I walk down these streets I swear I here your name
Am F C G G
Its just in my head, wish you were in my arms instead

Verse

D D C
Wasn't thinking about you, when I thought I saw you're car
G D
You cant escape me for long, yeah I never get too far
D C
You're everywhere I go, cause you're everywhere Ive been
G D
You're everything Ive wanted and I want it back again
